LYRIC SHEET · FOR CHURCHES

Step into the Jordan

The Keystone Quartet · Ancient Chords New Cadence

VERSE 1

LEAD
Old Joshua stood by the river rim,
Looking at the water and it looked quite grim.

BASS
Deep and grim!
Deep and grim!

LEAD
And the current was heavy and the bank was steep,
And the average doubter started to weep.

TENOR
But the Lord gave a word that was completely clear:

ALL
"Step on in and watch the water disappear!"

CHORUS

ALL
So step into the Jordan, don't you wait on the shore,
The dry ground is waiting where the waves used to roar!

BASS
Waves used to roar!

ALL
Get your feet a little wet for the promise to hold,
Move on forward like the prophets of old.

TENOR
Prophets of old!

LEAD
The water's gonna part when you take that stride,

ALL
And we're walking right over to the other side!

VERSE 2

BARITONE
Now Naaman was proud with spots on his skin,
He wanted a cure but he didn't want in.

BASS
Didn't want in!

BARITONE
He wanted a show and a grand display,
But the prophet told him there was only one way.
Dip seven times in the muddy stream,

ALL
And wash away the doubt of your earthly dream!

CHORUS

ALL
So step into the Jordan, don't you wait on the shore,
The dry ground is waiting where the waves used to roar!

BASS
Waves used to roar!

ALL
Get your feet a little wet for the promise to hold,
Move on forward like the prophets of old.

TENOR
Prophets of old!

LEAD
The water's gonna part when you take that stride,

ALL
And we're walking right over to the other side!

OUTRO

LEAD
Don't just stand there looking at the flow,

BASS
Get your feet wet!

ALL
Time to go!

TENOR
To the other side!
